	) <b>Material Witness</b>
Defendant	)

**TO: Karen Hewitt, United States Attorney for the District of Arizona and Steve Miller, Assistant United States Attorney and Wayne Mayer, Attorney for Material Witness Jose Gonzaga**

I.

**STATEMENT OF FACTS**

On June 23<sup>rd</sup>, 2008, counsel for material witness Jose Gonzaga filed a motion to compel a video taped deposition because the witness is unable to secure a release via bond. Counsel indicated in his motion that Mr. Gonzaga is unable to secure his release because he has no friends or family willing

1 to sign for his bond. At the deposition, Mr. Gonzaga testified  
2 that, in fact, he has a relative in the San Diego area. The  
3 declaration signed by the petitioner states, "He indicated to me  
4 he has no family or friends in the United States that could  
5 assist the witness (sic) in posting a material witness bonds."  
6 Declaration of Attorney Wayne C. Mayer in Support of Material  
7 Witness Jose Guadalupe Gonzaga Ceja's Motion for Videotaped  
8 Deposition. Specifically, the material witness testified at the  
9 deposition that he has a brother, Omar, in the San Diego area.

10 Mr. Guerrero previously requested that the deposition be  
11 delayed so that the possibility of obtaining a bond for Mr.  
12 Guerrero might better be explored.

13 The testimony at the deposition revealed that the material  
14 witness lived for at least a year and a half in the United  
15 States, and that he has been apprehended multiple times  
16 attempting to enter illegally.

## 17 II.

### 18 **The Request for Order to Release the Material Witness Should Be** 19 **Denied Because There Has Been No Showing of the Unavailability** 20 **of Witness**

21 If the material witness does have substantial ties in the  
22 San Diego area, he might be eligible to be released on bond or  
23 on his own recognizance. Conditions for release of material  
24 witnesses are governed by 18 U.S.C. sec. 3142. Under this  
25 section, "[t]he judicial officer shall order the pretrial  
release of the person on personal recognizance, or upon

1 execution of an unsecured personal appearance bond... unless the  
2 judicial officer determines that such release will not  
3 reasonably assure the appearance of the person as required." 18  
4 U.S.C. sec. 3142(b)(2004). Clearly, sec. 3142(b) suggests that  
5 this Court can order that the material witness can be released  
6 on his own recognizance. Since he has family in the area, he may  
7 be able to bond out.

8 The Bail Reform Act also states that, "[t]he judicial  
9 officer may not impose a financial condition that results in the  
10 pretrial detention of the person." 18 U.S.C. sec.  
11 3142(c)(2)(2004). This mandate, combined with the preference  
12 for release upon one's own recognizance, strongly suggests that  
13 the proper remedy for release for the material witness in this  
14 case is a motion to modify conditions of release, to allow him  
15 bail. It would not prejudice the material witness to allow  
16 additional time for such a motion.

17 Because of the prejudice to Mr. Guerrero's Sixth  
18 Amendment Right, would be inappropriately premature, and would  
19 fail to meet the underlying procedural requirements - including  
20 the unavailability of witnesses - the order to release the  
21 material witness should be denied.

III.

CONCLUSION

For the foregoing reasons, Mr. Guerrero respectfully requests that this Court not order the witness released, but also to order the government to provide discovery on the material witnesses' multiple prior apprehensions as well as a list of aliases.

Respectfully Submitted,

/s Scott Pactor
